List of Foods Exempt from Permit in Skagit County

There are foods that can be sold in Skagit County that do not require a Skagit County Department of Public Health permit.

Certain foods are exempt from permit because they generally do not support the growth of bacteria and are not handled by food workers as part of their preparation or service. It is important that all people involved in the production and sale of these foods maintain good personal hygiene (washing hands, using clean equipment), use disposable gloves or other barriers and have current Washington State Food Worker's Cards to ensure a safe product. All foods must be from an approved source.

FOODS PROCESSED OR PREPARED IN HOME KITCHENS MAY NOT BE SERVED OR SOLD IN SKAGIT COUNTY except for charity bake sales or WSDA-licensed cottage food operations.

Complete the application on the reverse side to determine if your food product is eligible for waiver of permit fee.
