

Commercial Accessory Building Checklist

SKAGITCOUNTYWA.GOV

Each project is unique in its overall design, size, and configuration and is also distinctive as to property location, each of these factors may trigger additional requirements. Some properties have specific requirements based on environmental factors which will have an impact on the development proposal.

If you have any questions, please contact [Ask a Permit Technician](#).

Required Applications

Applications listed below identified with “Yes” are required to obtain building permit approval. The applications below **must be submitted before or at the same time** as the building permit application for the building permit application to be processed.

Applications not required at time of submittal may be requested during completeness determination or during the review process based on the specific project objectives.

Floodplain and Shoreline will be required if the parcel has known environmental impacts.

Checklists are available for each submittal type below.

Required	Application Type	Submitted/Approval Date
Yes	Land Disturbance & Stormwater Drainage	
Yes	Critical Area Evaluation	
Yes	Lot Certification	
Yes	Driveway Access	
	Floodplain	
	Shoreline	
If plumbing will be installed in the building, the following applications are required.		
Yes	On-Site Septic System	
Yes	Drinking Water
